## 6th Grade Registration Form : Fall 2019

More than 60 years ago, an Italian guy named Joe Cornell came along and made growing up in Metro Detroit a little more fun. Joe created a business where kids could hang out, learn to dance, make lifelong friends and gain tools for transitioning into young adulthood.

Today, the Joe Cornell Experience is still transmitting the values of how to be a good person and interact with kindness. Additionally, our fun, structured program builds social confidence and self esteem through dancing that will serve them well beyond the 7th grade social scene.

### Don't let your child miss out on this life-changing experience!

For many, this will be their first experience in a boy-girl social setting without parents hovering overhead. Since you can't teach this at home - trust that we will get it right! Our proven track record is your guarantee.

### Register your 5th grader today! We look forward to having your child join us in the Fall!
