TRAILER EVENTS

MOBILE PARTY SOLUTIONS

We often come across "the perfect venue" for an event ... only to later find out that the site lacks kitchen space and sufficient resources needed for catering. While we are always able to find warmers, utility racks, and other basic catering essentials, we could never find a fully-equipped, rentable kitchen. Until we met Kristin Brochert, owner of Trailer Events. Trailer Events has made it possible for us to bypass what could have been a major event restriction or venue deal breaker and turn the space into a state-of-the-art facility.

Originally in the restoration business, Kristin offered a solution for anyone planning a renovation project or an emergency situation that required immediate restoration: a mobile kitchen. Her clients were mostly schools, summer camps, and nursing homes.

Word got around about these mobile units and it soon became obvious that the private events world could also utilize her brilliant idea of a mobile kitchen. Thus, Trailer Events was born. We had our solution to hosting events in fantastic venues with little or no kitchen space!

Trailer Events offers a state-of-the-art commercial grade, NSF Approved, and fully licensed mobile kitchen. The kitchen has a functional floor plan design and includes the necessary equipment to prepare and serve food in a clean, safe, mobile environment.

As Kristin's business grew, clients began asking for a specialty trailer for tailgating. State-of-the-art and equipped with a stainless-steel refrigerator, microwave, outside gas grill, generator, and private restroom, these specialty trailers offer a convenient mobile party solution. The trailers are hi-tech with an HDTV monitor, remote, satellite, and Bluetooth capabilities.

In response to increased demand for mobile units, Kristin has added executive restroom trailers to her arsenal. We were fascinated by the beauty and functionality of these units. With separate entrances for men and women, the restrooms have private stalls, stainless trim mirrored vanities, hand sinks with warm water, LED lighting, and ventilation complete with heating and cooling systems in place. You never know when you'll be hosting an event in need of additional restrooms.

Kristin and her knowledgeable staff have taken the stumbling blocks out of hosting events. Their mobile kitchens, specialty trailers, and executive restroom trailers can be used for any event, whether it's a sophisticated corporate gathering, private occasion, tailgate party, or backyard BBQ. Trailer Events is fun to work with and passionate about perfection and customer satisfaction. They have you covered from A to Z and will certainly impress you with their capabilities at your next event!

VALET PARKING

IT'S NOT ONLY ABOUT PARKING CARS

OUR GOAL is to make each customer feel comfortable leaving their vehicle in our care. Our commitment to our clients and attention to detail differentiates ourselves from other valet companies – you can trust us to take care of your vehicle as if it was our very own. Your experience with our service will be seamless, whether you are the host or the guest.

"VALET IS NOT JUST A SERVICE, IT'S A SCIENCE."

You would not believe what goes into orchestrating a seamless valet experience. It starts with a site visit and a well detailed plan. We check everything from curb height and location of accessible ramps to waiting areas and kiosk placement. A valet manager is on-site at every event. Their role includes a pre-event meeting with their team of parkers to ensure that all instructions are clearly delivered and no questions go unanswered. Once the event begins, you can be sure that our team is prepared to deliver a stellar experience.

Star Trax's commitment to customer service drives every member of our team. Our valet parkers are always ready to greet the next car or patron with a welcoming smile and a lending hand. Forget an item in your car – we'll run back and get it for you; need help carrying items into the venue – we'll bring them in; need assistance walking to the front door – we'll help. We live by the motto B.E.N. (Be Extra Nice) and we always aim to please – safely and as quickly as possible.

Star Trax provides valet parking services to more than 1,600 events each year. With over 300 parkers, we can handle any size event with outstanding service and satisfaction. Our leadership, experience and perfectly set up system have allowed us to park more than 60,000 cars this year.

IT'S THE STAR TRAX WAY!
